

Rawdon Littlemoor Primary School

A journey together of learning, happiness and success

Friday 17th March 2023

Thankyou to everyone who has supported us with fundraising this week either by donating to our collection for Comic Relief/Leeds Children's Heart Surgery or who supported our PTA by attending last night's family Bingo night. The PTA raised £350 last night and our collection for Comic Relief and Leeds Children's Heart Surgery has already raised £187. You can still donate to Comic Relief via ParentPay and we will leave this on ParentPay until after the Easter holiday. THANKYOU. If you came to the Bingo last night and want to know the answers from the interval quiz, they are printed at the end of this newsletter!

We've lots coming up in the last 2 weeks of this term. If you are new to Rawdon Littlemoor or need a reminder of some of our events here's what is happening:

PTA Easter Egg Hunt – 29th March

The Easter Bunny will be in school on Wednesday 29th March! Please send your child to school with an Easter Egg and £1. The PTA collect in all the eggs, place raffle tickets on the eggs and then hide them around school. The children are then given a raffle ticket and have to find the egg that matches their ticket. Your child will not necessarily bring home the egg that they brought in. The £1 donation goes straight to the PTA to pay for workshops and other fun extras for your children every year. If your child has any food allergens then please let us know and send them with an allergen appropriate egg which we will make sure they find in the hunt. THANKYOU

Whole School Cross Country – Friday 31st March

On the last day of term we will be holding our annual whole school Cross Country race. Do please join us to cheer on your child/ren as they race in their year groups. There will be 7 races the first of which will start at 1.15pm on our bottom field. Foundation will race first followed by each year group in ascending order. We cannot give you specific times for the start of each year groups race, so if you don't want to miss your child's race please get here for 1.15pm. Our races get increasingly long taking in our bottom field and then out on to the playing fields and Micklefield Park. You may find a better vantage point to cheer on your child out on the playing field than on our school site. We could do with some volunteers to help marshall the race in the park, so if you are free for the afternoon, and are happy to help, please get in touch with the school office.

Our PTA will be attending and will be serving teas and coffees for donations. Please bring a thermal re-usable cup and they will happily fill it for you! We also have some large stocks of 2nd hand uniform which we will put out on the playground, so if you are interested in buying some please bring some cash to pay for both the drinks and the uniform.

Fingers crossed for a sunny afternoon!

Big Walk And Wheel

We're excited to be a part of this year's #BigWalkAndWheel starting on 20th March for 2 weeks! @Sustrans Big Walk and Wheel is the UK's largest inter-school walking, wheeling, scooting and cycling challenge. It aims to inspire hundreds of thousands of pupils to get active on the school run. We are asking pupils to walk, scoot or cycle where possible. We are aware that some of you live a long way away, so could you travel nearer to school and walk or scoot the last part?

There will be prizes for the class who have travelled least by car and also for children who have made the most effort to travel a further distance. Please support this cause by trying to walk scoot or cycle to school as many times as possible in the next two weeks. THANKYOU

Bike Registration

As part of our fortnight of the Big Walk and Wheel, we are able to offer **FREE** bike registration on **Thursday 30th March 2023**. The friendly team from the National Police database will be in school in order to register bikes and will also have a bike mechanic with them to undertake repairs such as punctures and brake adjustments.

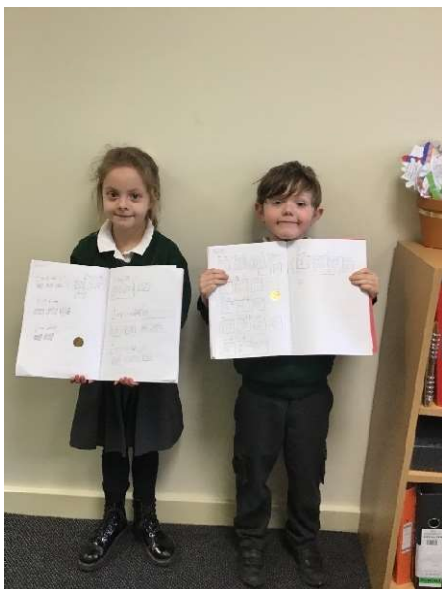

If you'd like to take part in this please drop your bikes off at the start of the school day outside the school office. You need to fill out the bike registration form and attach it to the handlebars of the bike you want registered. It will be completed and ready for you to take home at the end of the day. A letter about the process is at the end of this newsletter.

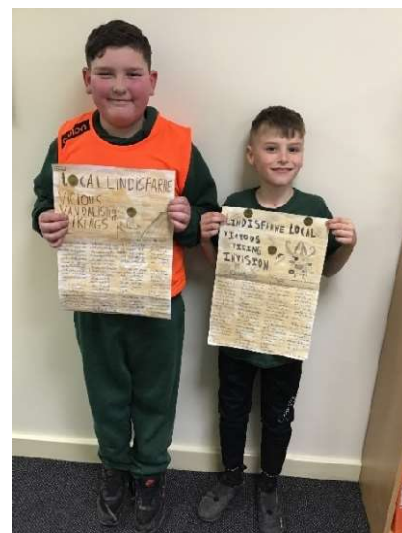

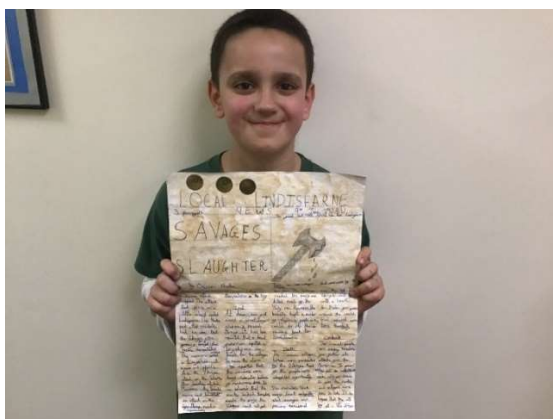

Clubs Reminder

If you would like to apply for a place at an after-school club starting after Easter please get your application form to us at the school office by Monday 20th March. We will e-mail you before the Easter holiday to confirm which clubs your child has been allocated.

Good Work

Congratulations to all these amazing children for working hard this week to produce fantastic work!

Golden Book

This week's star is practising and improving their spelling.

Ducklings	Jack Payne	For working so hard at phonics and making wonderful progress at applying his knowledge in his writing. Well done Jack.
Goslings	Evie Partridge	For sounding out and spelling some fantastic sentences independently when writing about different superheroes!
Kingfisher	Elodie Lawrie	For her hard work learning her tricky words.
Robin	Beatrix Crowther	For thinking carefully about her spellings and trying to make correct spelling choices.
Dove	Benjamin Finlay	For working really hard on his spellings and making wonderful progress.
Owl	Sam Britz	For super effort in improving his spellings.
Peacock	Freddie Padmore	For amazing effort and progress in his spelling.
Nightingale	Evie Wilson	For working very hard on her spellings.
Blackbird	Ava Townsley	For working incredibly hard in all aspects of spelling and using her spelling log effectively.
Kestrel	Eliza Zaborowski	For proof reading diligently and checking spellings in her word log.
Puffin	William Brown	For regularly using his spelling log to check spellings.

Events and Dates

Wednesday 22nd March	National Child Measurement Programme – Foundation & Year 6 Eco Council Meeting – 3.15-4.15pm
Thursday 23rd March	Dogs Trust visiting school Parent & Carer Consultation Evening (Found-Year4) – 3.30-7pm
Tuesday 28th March	Foundation Easter Bonnet Parade – 2.30pm
Wednesday 29th March	PTA Easter Egg Hunt Abbarella – Year 3 & 4 Show – 6pm
Thursday 30th March	Bike Registration Day Abbarella – Year 3 & 4 Show – 6pm
Friday 31st March	Whole School Cross Country – 1pm School Closes for Easter Holiday

And finally..... Here are the answers to the Bingo Quiz. Have a lovely weekend.

PTA Bingo Night – Quiz Answers

Adult Quiz:

10. Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana

Kids Quiz:

1. Descendants
2. Snake
3. Mr Strong
4. Electric
5. Awake
6. Anna (Frozen)
7. Elland Road
8. 6
9. Goblet of Fire
10. Washington DC

BIKE REGISTER FAQs

How does registration work?

When you bring your bike to an event there are a few simple steps to get your bike registered. We locate the serial number of your bike (usually on the underside of the frame) and install 2 antitamper stickers with a unique Bike Register ID on them. We'll record the unique ID and frame number along with your details in the Bike Register app and then you're all set! You'll then receive an email to confirm your bike has been registered and to activate your online account.

Do I need to pay to register my bike?

No, the registration of bikes at events is free. Your profile on the Bike Register Database is also free.

Can I have more than 1 bike on my account?

Yes! When a new bike is registered, your details will be matched and the bike will be added using your existing details. If you add a bike yourself, you can do this through the 'Register another bike' button after logging in to your existing online account.

What happens if I sell my bike?

You can easily transfer the ownership of your bike on your online account. All you need is the new owner's email address. Login to your account, select the bike and click the 'Transfer' Tab. Here you can enter the email address of the new owner. They will receive an email with details on how to set up an account if they do not already have one and complete the transfer.

What do I need to do if my bike is stolen?

You will need to update the status of your bike on your online account. To do so, login to your account and select the bike you wish to change the status of. Select the 'Report as stolen' button and enter as much information as you can about the theft including the Crime Reference Number.

How does being on the Bike Register help my bike being returned to me?

All the police forces in the UK have the ability to search the Bike Register Database using a specially developed App. They may check bikes in bike stands outside buildings or at stations as part of their normal duties. If bikes are registered as stolen, they can get in touch with the registered owner and get the bike returned to you. Alternatively, they can check the registered owner's details with the details of the person in possession of the bike to ensure they match.

My bike has 2 stickers on it, are they not for 2 bikes?

No. We fit a pair of stickers on bikes as they both have the same unique Bike Register ID and QR code. One is usually installed near your bike's frame number and the other in an overt location on the bike to inform would-be thieves that the bike is on the Bike Register. The stickers are also highly tamperproof so installing 2 labels makes it twice as difficult to remove the unique code linked to your bike.

Can I register my bike in other ways?

You can register any bike using just the frame number on the bikeregister.com website. Adding as much unique information about your bike, such as a Bike Register ID or photos, helps to support your profile. As well as the QR labels, we can apply unique codes using a black or UV permanent marking compound. These can be applied to any bike that has a painted or lacquered finish.

BIKE REGISTRATION

Dear Parent / Carer,

To mark the completion of new cycling, pedestrian and equestrian infrastructure along the East Leeds Orbital Route (ELOR) Leeds City Council will be running a 'Bike Register' bike security marking event at school.

If you would like a bike to be marked, West Yorkshire Police and the Influencing Travel Behaviour Team from LCC will be at school on Thursday 30th March and will register bikes that are brought in and left at school in the morning.

If you would like your child's bike to be registered, please complete the information in the table below, place it into an envelope (or fold it so the details are hidden) and attach it to the bike handlebars. Bring the bike to the front of school office. The team will then work through the bikes through the day and they will be ready to collect at the end of the school day. Any paperwork containing personal details will be destroyed once the bike is registered.

Once the bike is registered, you will receive an email link which gives more information about Bike Register and asks you to finish setting up the account. If you haven't received anything by the end of the day, check in your junk / spam folders. If there is nothing in those folders, please email bikeregister@leeds.gov.uk and they will look into it for you.

This service is aimed at school pupils. However, if parents/family wish to get their bikes marked up then please speak with a member of staff/officer conducting the marking and they may be able to assist you there and then.

The marking involves two tamper-proof stickers with unique QR codes being fixed to the bike's frame – one in a visible position and one hidden from view. The code is linked to contact information for the bike's owner (or parent / carer in the case of a child's bike), so that the bike can be returned to the owner if it is stolen and then found by the police.

The stickers also help reduce the risk of the bike being stolen by warning thieves that it is linked to the Bike Register system.

The data is stored on a secure portal which can only be accessed by the police and 'Selectamark' who run the system. Bike Register is accredited to ISO 27001, Secured by Design and LPS 1224 standards.

We hope to see lots of you taking up this great opportunity to get your bikes marked up!

Bike Register required information:

Please complete the information below and place in an envelope (or fold), then attach to the bike handlebars for the bike to be registered. Please make sure that all details can be clearly read, especially email address and postcode.

Parent / Carer name	
Parent / Carer email address	
Home address	
Postcode	
Parent / Carer telephone number	
Bike make	
Bike model	
Bike colour	

Once registered by us, you will receive an email from Bike Register asking you to complete your registration. If you are registering multiple bikes (e.g. adult / child or siblings), you should receive an email confirmation for each bike. You can then add additional information, such as a photograph of the bike, to the record for each bike.

This sheet will be destroyed once registered and no information will be taken off site.
